THE HON'BLE SRI JUSTICE P.S.NARAYANA

Review W.P.M.P.No.34718 of 2006
In
W.P.No.12191 of 2001

ORDER:

The suspension of resolution is made a ground of attack in the present Review petition. As can be seen from the dates, the said ground was very much available even on the date of disposal of the Writ Petition, but it is stated that by mistake the said ground was not taken by filing additional counter affidavit.

In the facts and circumstances, it cannot be said there is any error apparent on the face of record. It is needless to say that the remedy if any available to the Review petitioners would be elsewhere. In the light of the same, this Court does not see any reason to review the order the order dated 14-9-2006 made in the Writ Petition.

With the above observation, the Review application is disposed of.
